

## You are invited to attend our second series of public meetings on the Regional Transportation Plan.

### You will have the opportunity to:

- » Review draft plan goals and policies
- » Provide feedback on draft plan chapters
- » Examine existing conditions analysis of the transportation system
- » Weigh in on recommended solutions for important issues, needs, and opportunities facing the region's transportation system
- » Provide ideas for improving the transportation system
- » Talk with MPO staff about current plans and planning activities

The Regional Transportation Plan is the region's blueprint for future transportation investments, strategies, and actions covering all modes. It provides the policy direction and framework, which is refined through corridor, mode specific, and strategic studies and plans.

### ABOUT THE MATPB

The Madison Area Transportation Planning Board (MATPB), as the federally designated Metropolitan Planning Organization (MPO), is the policy body responsible for cooperative regional transportation planning and decision making for the Madison Metropolitan Planning Area. The MATPB provides a forum to build regional agreement on transportation investments that support regional land use, economic, and environmental goals. For more information on the MATPB visit the MPO website at [www.MadisonAreaMPO.org](http://www.MadisonAreaMPO.org).
