

Project Overview

The City of Fitchburg has received a Federal STP-Urban grant to reconstruct 3,200 feet of McKee Road from Commerce Park Drive east to Seminole Highway.

For this project, the City of Fitchburg will fund 100% of the design cost. The construction funding will be split 60/40, Federal/Local, up to \$5.3 million between the City of Fitchburg and the Federal grant.

WisDOT and Federal design standards will be adhered to for this project, due to project funding.

The project includes providing a grade-separated crossing of McKee Road for the Badger State Trail. The Badger State Trail is a public recreational facility, which is a Section 4 (f) resource under federal policy.

Project Goals

- Replace deteriorating pavement
- Incorporate intersection improvements to address current and future development and growth near the corridor
- Provide pedestrian accommodations for the length of the project
- Enhance bicycle accommodations along McKee Road
- Construct a grade-separated crossing for the Badger State Trail
- Become aware of and avoid impacts to cultural, historical, and archaeological sites

Overview Map

Opportunity for Input

Public Input Meeting #1 September 2017

Public information meeting with a formal presentation. Typical section alternatives will be presented and the public will have an opportunity to provide input.

Typical Section and Design Concurrence November 2017

The typical section will be approved by the Common Council with input from the public, Board of Public Works, and Transportation & Transit. These public meetings will be advertised and residents will be able to comment during the decision making process.

Public Input Meeting #2 Fall 2018

Public information meeting presenting construction staging and detour information, as well as design details. The public will have an opportunity to comment.

Staying Informed

A web page has been created to keep interested persons updated on the project.
Visit: www.fitchburgwi.gov/McKee_Road

To receive continued updates on the progress of the McKee Road Reconstruction, visit the City of Fitchburg website. Using the City of Fitchburg's "Notify Me" system, you can stay informed about the project with updates sent via email or text message. Subscribe to the "McKee Road Reconstruction" selection on the website or visit: www.fitchburgwi.gov/list.aspx
