

2019 Fitchrona Road / Nesbitt Road Roundabout Construction

Department of Public Works Update

July 17, 2019

Project information: Construction of a single lane roundabout, storm sewer upgrades, watermain relocation, and lighting upgrades.

Timeline: Construction July 10 - October 2019

Road Closures, Vehicle Traffic: Intersection is closed to through traffic. A [signed detour](#) is posted. Alternate travel routes ridesharing, transit, and nonmotorized travel is encouraged to reduce congestion during this time. Plan ahead for backups and delays near PD/McKee

Business and Resident access: Refer to [July 10](#) Construction Update. The routes are take more time to get there, but the welcoming business staff appreciate the special trip you made!

Property owners in the construction zone may experience temporary closures while working in front of driveways. Please coordinate with the **project inspector** to inform of your daily activities and deliveries.

Communication: Refer to [July 10](#) Construction Update. Sign up for [Notify Me](#) to receive notices of project update changes.

Project Updates: Refer to [July 10](#) Construction Update Info. Pavement has been removed and excavation to shape the new roundabout is beginning. Vehicle, bike and pedestrian access through the construction zone is now prohibited and alternate routes must be used.

Typical construction times are 7am-7pm weekdays, but may extend later in the day if a critical construction element needs completing.

A large area short duration water shutoff affecting Fitchrona Road and the Quarry Vista Subdivision is being coordinated for early August to make a new water connection. Details about the shutoff and additional notifications will be forthcoming.
