

Fitchburg SmartCode Bicycle Planning Summit

Tuesday, June 7

7:00—9:00 PM

Council Chambers

City Hall

5520 Lacy Road

The Fitchburg Planning and Public Works Departments, with assistance from The Street Plans Collaborative, invite you to join in the SmartCode Bicycle Planning Summit.

In October 2010 the City adopted the optional SmartCode zoning rules. This event is part of a process that will update the Fitchburg SmartCode to include enhanced requirements for bicycle thoroughfares, parking and other facilities.

Come join in the discussion of bicycle facilities on June 7 and participate in the SmartCode Bicycle Update Public Summit. City staff and consultants are eager to hear from all stakeholders: landowners, motorists, taxpayers, businesses, and all kinds of bicyclists.

Contact Community Planner Susan Sloper at (608) 270-4256 or susan.sloper@city.fitchburg.wi.us with any questions regarding the upcoming Summit.
