

## Audiobook Download Instructions: Mobile Devices

1. Open your device's app store and search for Overdrive Media Console.
2. Download the free Overdrive app.
3. In the Overdrive app, swipe to the right and tap **Add a Library**.
4. Type in Fitchburg and tap the Search button.
5. Select **South Central Library System** by tapping on it.
6. Tap on **Wisconsin Public Library Consortium**.
7. You'll then be directed to the Wisconsin Digital Library site where you can search for or browse library audiobooks. For the best experience on the site, first tap on **Login**.
8. Select **South Central Library System** from the list.
9. Type in your library card number.
10. Tap the box next to "**Remember me on this device**". This will prevent you from having to login every time.
11. Tap **Login**.
12. **Tip: Tap on the account icon, then on settings and update your lending period for both audiobooks and ebooks.**
13. Use the basic or advanced search options to find books you'd like to read. TIP: Using the advanced search feature you can see every book that has a copy available for immediate check out. Select Audiobook format in format field and then check the box next to "Available Now." Tap Search.
14. When you find a book to check out, tap **Borrow**.
15. Tap **Download**.
16. Select the appropriate format for your device.
17. Tap **Confirm & Download**.
18. The title will download to your bookshelf in the Overdrive app.
19. Tap on the book cover to begin listening.

### To Return a Book Early

1. Open the overdrive app and go to your bookshelf.
2. Tap and hold on the book cover until a small menu pops up.
3. Tap **Return**, and confirm.
