## **PLEASE HELP!**

I’m doing my best to make this insert interesting, fun to read, and full of important information on the trips we sponsor. If you would be so kind, please take a minute to answer the following questions:

1. Do you read my travel article on a regular or periodic basis?
2. Do you like that my article is an insert to the newsletter rather than found somewhere amongst and between the classes, games and events articles?
3. Does the fact that the insert is on colored paper draw your attention to it?

I will appreciate it very much if you email or call me with your answers.  
Email address: [georgiaascher@yahoo.com](mailto:georgiaascher@yahoo.com). Telephone: 608-278-4222.

THANKS so very much for your help and support.  
Georgia
